

NFU home phone bundles for calls + line rental

COMPARED TO BT

- 50% off call connect charges**
- 50% off landline day calls**
- 20% off mobile day calls**
- 10% off line rental**

WHAT ARE CARBON NEUTRAL CALLS?

At Resource we buy carbon neutral calls off our carrier suppliers. Our carrier uses soft switches to route your calls instead of the power hungry old fashioned hardware used in telephone exchanges. That means much less power used, which is then offset by carbon credits. So reduce your carbon footprint when using our service!

CALL PACKAGES

- ◀ Our customer service and billing
- ◀ No contract

**4% NFU
FURTHER DISCOUNT
ON ALL RATES**
