

**8Mb BROADBAND at £13 PER MONTH****with Free connection (worth £50)**

Resource will take over your BT line rental (charged at BT rate) on the ADSL line, so you only have one point of contact and one bill. You'll still get BT's services and engineers, but your ADSL is 15% cheaper than BT for four times the speed!

- Easy transfer of existing broadband
- Make & receive calls while surfing
- No Internet dial-up call charges
- No expensive helpdesk number
- Keep your old email address
- Free unlimited new email addresses
